

BLENDED BOURBON WHISKEY FINISHED IN CHARDONNAY CASKS

750ml | 90PROOF | 45%ALC./VOL.

GO BEYOND **THE** FIRELIGHT

I was inspired by some of my favorite scotch's when building this unique cask finished spirit. Chardonnay casks provide a subtle and distinctive blend of citrus and oak that compliments the rich flavors of Ghostwood perfectly.

The result is amazing.

As part of this exploration, I learned a lot about the creation of wine and their aging process. It has led me on an exciting journey of discovery where I was able to choose exactly what kind of casks work best for this particular spirit.

CHEERS!
